

LUTECH DATALYS 808

Instructions for Demo Mode

A video walk-through of these instructions can be viewed at --

To power up the monitor and enter "Demo" mode-

1. Press the blue power button on the left side of the monitor.
2. Press the "Settings" button on the front of the monitor.

The main settings menu will open.

3. Touch the "Demo Mode" button on the screen.

The monitor will ask for a password.

4. Enter the password: 5555. The press OK.
5. The monitor will return to the main screen and display the demo screen. The message "Demo Mode" on yellow field will be displayed in the alarm message area up top.

You could cover this message with a bit of black electrical tape.
